Class descriptions and fitness levels are on the back.

Class Name	Class Descriptions	Fitness Level
Active Aging	This class will include cardio and strength moves in a circuit type format. Exercises can be modified for all abilities. This class will assist in improving cardiovascular and muscular strength, balance, and endurance.	Low Impact
Balance	Identify specific weaknesses in the balance system to lower the risk of falling. The class will focus on exercises that improve lower-body muscle strength, visual acuity, neck flexibility and ankle dexterity.	Low Impact
Beginner Yoga	This class is for those who are new to yoga. Relaxing breath work and basic yoga postures with proper alignment will be taught.	All
Body Pump	A weight-based fitness class that targets six muscle groups using weight plates, barbells, and an aerobic step.	Intermediate-Advanced
Chair Fitness	This class will improve your strength, balance, and flexibility while feeling confident seated in a chair. Great for all individuals with disease-specific conditions or those who are new to exercise.	Low Impact
Delay the Disease	A low impact class done mostly in a chair is designed for people with Parkinson's disease. This class helps improve posture, balance, strength, and walking difficulties.	Low Impact
Functional Fitness	This class combines resistance training, cardiovascular endurance, core training, and flexibility to keep you functional for your everyday life activities.	Intermediate
Happy Hour Yoga	Take your lunch hour to enjoy a vinyasa style practice designed to strengthen the body and balance the mind. This class will link breath to movement during seated, standing, and balancing postures. Leave feeling energized and empowered.	Intermediate
Nightcap Yoga	Wind down your day with a gentle, meditative practice to relax and renew your body, mind and spirit.	Low Impact
Pound	Channel you inner rock star with this full body cardio-jam session inspired by the infectious, energizing and sweat dripping fun of playing the drums.	All
Power Fusion	Improve your strength, balance, and endurance. Fusing yoga, Pilates, and Barre-inspired exercises for a full body workout.	All
Sprint	A High-Intensity Interval Training (HIIT) class done on our Keiser indoor bikes. It is designed to get you the fastest fat-loss and fitness results possible.	Intermediate-Advanced
Strength Circuit	High intensity class focused on building total body strength.	Intermediate-Advanced
Total Training	The class focus is quick, challenging, intense bursts of exercise by keeping your heart rate up and burning more fat in less time.	Intermediate-Advanced
Zumba®	We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.	All
