

Henry County Health Center Clinics is a comprehensive network of primary care clinics throughout southeast Iowa. We are committed to providing easy, local access to health care for you and your family. Our primary care providers and staff will:

- Answer your questions
- Listen to your concerns
- Encourage you to take an active part in your care

Our full-service clinics offer examinations and laboratory testing in one location. These convenient services allow us to provide diagnoses for patients in a shorter time period.

For patients requiring additional hospital services, our clinic providers work closely with Henry County Health Center and Southeast Iowa Regional Medical Center departments to provide seamless care. The wide range of high-quality services at Henry County Health Center and Southeast Iowa Regional Medical Center enables patients to receive care close to home.
