We're here to help!

This program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$295,385 with 0% percentage financed with nongovernmental sources. The contents are those of the authors and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.

Do you need help finding food, clothing, housing or other basic needs?

Do you often feel lonely or isolated from those around you?

Do you need guidance to access medical and/or behavioral care, including preventative services?

Is there anything else stopping you from being healthy?

CARE LINKS is a program where trained staff can work with you to connect you to resources and services you may need to improve your daily living.

Health starts long before illness—in our homes, schools and jobs!

What will CARE LINKS do for me?

- CARE LINKS staff will meet with you to listen to the needs you and your family have.
- We will work together to find the services you may need.
- CARE LINKS staff will assist you to make those contacts and follow up with you to see if you were able to get the help you needed.
- We can also provide assistance communicating with other service providers.

Who is eligible?

All Henry County and surrounding area residents can participate in CARE LINKS. This is a FREE program. Stop in Monday-Friday from 8:30am-4:00pm or call 319-385-0779 to make an appointment.
