

## **Orientation Confirmation**

Welcome to Great River Health System! As an employee, provider, student, volunteer, business associate or other nonemployee affiliate, you contribute to the high-quality services we provide to patients and the community.

Everyone you meet may judge their experiences at Great River Health System by your behavior. You and our entire team must be respectful and responsive to meeting the needs of those we serve. Our Orientation Guide provides standards for conducting yourself while you are at Great River Health System. These standards enhance the health system's ability to achieve its mission, and to protect and promote safety and integrity.

Please read the guide carefully. If you have questions, ask your department director, supervisor, instructor or appropriate staff member. If you are a volunteer, please ask the Volunteer Services Coordinator.

Your signature means you understand the content of the Orientation Guide and will adhere to the guidelines, policies, procedure and expectations described in the guide. Please search for your position/title below and return this document to the appropriate department.
